EVERYTHING I HAVE IS YOURS

Verse:

The more I'm with you,  
The more I can see;  
My love is yours alone.  
You came and captured  
A heart that was free;  
Now there's nothing I can call my own.

Chorus:

Everything I have is yours; you're part of me.  
Everything I have is yours, my destiny.

I would gladly give the sun to you  
If the sun were only mine.  
I would gladly give the earth to you  
And the stars that shine.

Everything that I possess, I offer you,  
That my dream of happiness come true.  
I'd be happy just to spend my life,  
Waiting at your beck and call.  
Everything I have is yours,  
My life, my all.

(Instrumental interlude)

Everything that I possess, I offer you,  
That my dream of happiness come true.  
I'd be happy just to spend my life,  
Waiting at your beck and call.  
Everything I have is yours,  
My life, my all.
