Sitting all alone
In my eve-a-nin' chair
All of my so called friends
Have disappeared

An all alone, all alone
I don't wanna be
I need you, baby
Come see about me

(See about me)
See 'bout me chile
(See about me)
Na-na-na-na-now
(See about me)
Come see about me
(See about me)

Oh, I been to see the doctor
(Ooo-ooo)
He did all he could
But none of his medicine
Could do me no good

Only your love can pull me
Through this misery
I, I need you baby
Come see about me

(See about me)
See 'bout me chile
(See about me)
Na-na-na-na-now
(See about me)
Come see about me
(See about me)

The tears I cried in despair
Is enough to fill the sea-ee-ee
Replanning the night
I told you, whoa, our love

Could no longer be

Yeah, I need the girl

(See about me)

People let me tell ya, I need the chile

(See about me)

Whoa, come on baby

(See about me)

Come see about me

(See about me)

FADES-

La, la, la, la, la, la, la, la, la-la

(See about me)

La, la, la, la-la-la-la.
