Let it hang out, baby
Let it hang out now
Na-na-na-na, now
Let it hang out, baby
Ev'rybody workout, yeah
Now, Sookie, Sookie, Sookie
Sookie, Sookie, Sookie

Let it hang out, baby
Do the Boston Monkey
Let it hang out baby, now
Boomerang with me

Sookie, Sookie, Sookie
Sookie, Sookie, Sookie, so

(short instrum. horns)
Philly!

Really kinda bad, child
Drink a bottle of turpentine
When you wake up in the mornin', girl
You feelin' kinda fine

Let it hang out, baby
Let it hang out, now
Now-now, now-now, now-now

(organ, horns & instrumental)

You, you better watch your step, child
Don't step on that banana peelin'
Your foot ever hit it
You go up to the ceilin'

Hang in there, baby
Hang in baby, now
Hang in there, baby
Hang in babe, now

Now-now, now-na-now

Na-na-now, Sookie!

Baby
Hang it in there, baby

Workout

Now baby, Twine

Jerk, 'till it hurt!

Those people don't care
They goin' away from here

FADES-

Oh, baby
You're good!

Ooh, beg you
I'm beggin' you
Ooh, da-da-da, da-da-da
Da-da-da, da-da-da.
