Shhhh, quiet it is kept!

(1, 2, 3, play)

There's a little place that I know  
When I wanna hang out  
Ev'rybody goes  
But they don't talk about it

There's a little place I know  
Where lovers meet  
Where folks don't put you been there  
Out in the street

Don't ask me where it is  
'Cause they don't advertise  
But they got rooms available  
To fit your package size

At the No Tell Motel (tell you)  
They keep your secret very well, yeah  
Quiet is it kept  
(Talkin' 'bout the No Tell Motel) ya'all  
Where you can go and raise hell (hey-hey-yeah)

Out of nowhere  
Walks up to your car (hey!)  
Little short fat man  
Smokin' a long cigar

He says, 'Welcome to the No Tell  
The house of romance  
No checks or credit card  
Cash in advance  
Do it yourself room service  
Twenty-four hours a day  
Check-out time is one p.m.  
Love over you pay' (pay-hey-hey)

At the No Tell Motel (aaah!)  
They keep your secret very well, ya'all  
(Outta money!)

(Talk a-bout the No Tell Motel, now)  
(Call your ex up) ooh!(try it)  
Where you can go and raise hell  
(Call your ex up)

Shhhhh, No Tell's B-Girl

Chorus:

(Down there Motel's B-girl)  
Motel's B-girl (ooo! yeah, yeah)  
(You've got the honte yallo sucre)  
Eeee! yeah, yeah yeah  
(Down the Motel's, B-girls)  
Yeah, tell them  
(Ooo honk (honk) once for la bordell-o  
Ooo-wee! yeah- yeah

(Down there Motel's B-girls)  
B-girls, yeah  
(You've got the honte yellow sucre)  
'I don't do that'  
Down there Motel's B-girls  
(Motel's B-girl)  
(Ooo honk (honk) once gon' lay boy down (del)

There's a desk in the lobby  
With no one behind it  
You don't have to change your name  
'Cause you don't have to sign it

There's a sign on the wall  
'Lovin' At Your Own Risk'  
If it don't have what you want  
Love what you wish

Two towels runnin' water  
Comes along with the room  
But you don't get no refund  
If you got the wham-bam-boom!

At the No Tell Motel, yeah!  
They keep your secret very well  
Quiet it's kept  
At the No Tell Motel  
Where you can go and raise hell, shhh!

(short guitar & instrumental)

Wait a minute  
Wait a minute

Wait a minute-minute  
Wait-a-wait-wait, yeah!

Ooo-Wee-Eee!

Chorus:

(Only motel's, pretty girls) yeah 3:15  
(Still got the honte yellow sucre)  
Umm-hmm  
(Only motel's, pretty girls)  
Motel-pretty girl, yeah  
(Ooo honk, honk, once gon' lay a boy down)

B movies on there

(Down there Motel, B girls)  
Le bordell, yeah  
(Ooo honk, honk, once gon' lay a boy down)  
B movies  
It's only Motel B-girls  
(Hey-hey-hey-hey)  
(Still got the honte yellow sucre)

I hope I ain't steppin' on nobody's toes out there!  
If I am  
Let it hurt, yeah!

Everybody

I believe, everybod-ha-hay  
Know what I'm talkin' about

About the No Tell

Wait a minute, wait a minute, wait a minute  
Wait a minute
