I was as bad as I could in high school
She was the nicest girl that I knew
She didn't know what I was thinking when I took her to
go drinking
Betty Loo got a tattoo too, yeah; Betty Loo got a tattoo
too
It was a rock and roll thing to do, so Betty Loo got a
tattoo too
She was a barely legal honey, with one eye a little
funny
I got her drinking coke and??? tickle??? and than I
began to twinkle
So Betty Loo got a tattoo too, yeah, Betty Loo got a
tattoo too
It was a jurist prudent thing to do, yeah, Betty Loo got a
tattoo too (Oh c'mon, yeah)

Yeah, her voice is kind of slurry but her face is awful
"pretty"
As she whispers recant detres and lifted up her
sweater
Betty Loo got a tattoo too; Betty Loo got a tattoo too
An existentialist thing to do, Betty Loo got a tattoo too
She was the sweetest girl in town
She always gotta help but I put her down
So now, she's made to sin
She's got a permanent impression of a teenage queen
It was a Hollywood thing to do, a bright full coloured
tattoo
It was a Hip Hop, Raga Muffin, nasty thing to do
So Betty Loo got a tattoo too
Well, she's feeling right in fashion as she hides a
secret passion
For a night of double vision and a fabulous decision
Betty Loo got a tattoo too, yeah; Betty Loo got a tattoo
too
It was a Heavy Metal thing to do, so Betty Loo got a
tattoo too
Just a military thing to do, so Betty Loo got a tattoo too
It was a biker chick,??? powder puffin'???, chabble
head thing to do (Get a tattoo too)
