If you do want me, gimme a little sugar  
If you don't want me, don't lead me on girl  
But if you need me, show me that you love me  
And when I'm feeling blue and I want you  
There's just one thing that you should do  
Just gimme some kind of sign girl, oh my baby  
To show me that you're mine girl, all right  
Just gimme some kind of sign girl, oh my darling  
To show me that you're mine girl, all right  
If you do want me, gimme a little sweet talk  
If you don't want me, don't lead me on girl  
But if you need me, show me that you love me  
And when I'm feeling down, wearing a frown  
I'll be there when you look around  
Just gimme some kind of sign girl, oh my baby  
To show me that you're mine girl, all right  
Just gimme some kind of sign girl, oh my darling  
To show me that you're mine girl, all right

Just gimme some kind of sign girl, oh my baby  
To show me that you're mine girl, all right  
Just gimme some kind of sign girl, oh my darling  
To show me that you're mine girl, all right  
Just gimme some kind of sign, sign, sign, sign  
Just gimme some kind of sign girl, oh my baby
