Ice on the river
Every day I'm a worker, digging long holes in the
ground
Every night I'm a gambler, I leave my wages in the town
Every day she's a lady, she's wearing pearls and silken
clothes
Every night she's a hooker, push-up bra and fishnet
hose
Ice on the river, she's waiting for you
Ice on the river, you'll never get through
Ice on the river, each step makes a crack
Ice on the river, you'll never get back, you'll never get
back

Every day I am tempted, I, I don't think of wrong or
right
Every night I walk past her, I don't play with dynamite
Every day makes a difference, the things will change
as people grow
Every night in the forest, the old boughs break as new
winds blow
Ice on the river, she's waiting for you
Ice on the river, you'll never get through
Ice on the river, each step makes a crack
Ice on the river, you'll never get back
Ice on the river, she's waiting for you
Ice on the river, you'll never get through
Ice on the river, each step makes a crack (Crack)
Ice on the river, ice on the river, never get back
Ice on the river, don't know she's waiting for you
Ice on the river, you'll never get back
Ice on the river, each step makes a crack
Ice on the river, ice on the river, you'll never get back
Ice on the river, she's waiting for
Ice on the river, you'll never get back
Ice on the river, ice on the river, each step makes a
crack
Ice on the river, ice on the river, well you'll never get
back
Ice on the river, she's got, waiting for you
Ice on the river, you'll never get through
Ice on the river, ice on, each step makes a crack

Ice on the river, ice on the river, you'll never get back
Ice on the river
