You put your heart into traction, you're looking for the
twin reaction
You've got your engine steaming, revving every dream
you're dreaming
You've got to face the future but your time is running
out, oh no

They've got a line in heaven, they roll the dice and
through a seven
It's just another fear and loathing, does not affect the
cards they're holding
They say that live's a gamble but eternity is a choke
hold, oh no
Taste one drop and you'll never leave
See my hand, nothing's up my sleeve
Face to face 'cause I'll never let you go, oh no

Your dead has teething moments, you try to grab the
love that's in it
But you've got no conviction just a massive case of???
emendation????
You see your house on fire and you've got no place to
go, oh no
Nothing ventured, the poor-mans game
Horse race's locked so it's all the same
Face to face 'cause I'll never let you go, oh no, oh no,
no, no, no, no

Oh no, they've got a line in heaven, they roll the dice
and through a seven
It's just another fear and loathing, does not affect the
cards they're holding
They say that live's a gamble but eternity is a choke
hold, oh no
Taste one drop and you'll never leave
See my hand, nothing's up my sleeve
Face to face 'cause I'll never let you go, oh no, oh no,
no, no, no, no, oh no, oh no, oh no, oh no
