If cowards would play for the catwalk?
If money could talk like a friend?
If reading was fun for your children
The six o'clock news would cave in
Peace for the last time
Peace for the last time
Save in the meantime
Peace for the last time

If men can hold lives like a handle
If judges can honest fair say?
If time is a line straight to heaven, than lightning can
strike twice a day
Peace for the last time
Peace for the last time
Save in the meantime
Peace for the last time

Oh, I look and save my wings?, than kiss the futures?
way?
Embracing every thing I need to know
Oh, I want you to go, feel like walkin'?
Feel my live slip through your hands
Oh, I want you to write a real letter
I read it 'til I get to the end
Peace for the last time
Peace for the last time
Save in the meantime
Peace for the last time
Peace for the last time
Peace for the last time
Peace for the last time
Save in the meantime
Peace for the last time
