Can you really love me? Only time will tell
Can you really love me? Only time will tell
Ice is on the window (Ice is on the window), time will tell
Ice is on the window (Ice is on the window), time will tell

See you in the pocket, only time will tell
Can I live without you? Only time will tell
Do you really love me? Time will tell
Do you really love me? Time will tell

See you in the pocket, only time will tell
See you in the pocket, only time will tell
Can I live without you? (Can I live without you?) Time
will tell
Can I live without you? (Can I live without you?) Time
