Are you alone, Renaissance Eyes?  
I once had my whole family stolen from me,  
Renaissance Eyes  
Is that your car, Renaissance Eyes?  
Have you ever taken dancing lessons, Renaissance  
Eyes?  
Dress you in a fashion, undress you with a passion  
Though the vision haunts you, I'm the one who wants  
you to love me with those eyes  
Love me with those eyes

Is that you car, Renaissance Eyes?  
I once had a car but it was stolen, Renaissance Eyes  
Tell me you name, Renaissance Eyes  
Do you ever think about the future, Renaissance Eyes?  
Dress you in a fashion, undress you with a passion  
Though the vision haunts you, I said, I'm the one who  
wants you to love me with those eyes  
Love me with those eyes  
Love me with those eyes

Tell me you name, Renaissance Eyes  
I would steal a Cadillac to touch you, Renaissance Eyes  
Are you afraid, Renaissance Eyes?  
I am too afraid to ever meet you, Renaissance Eyes  
Dress you in a fashion, undress you with a passion  
Though the vision haunts you, I'm the one who wants  
you to love me with those eyes  
Love me, love me with those eyes  
You gotta love, love, love me with those eyes  
Love me with those eyes

Love me with those eyes
