Promises promised in a moment of passion
Melted to nothing and not soon forgotten
For ever and ever, it's just a fun idea
Love and affection of the cooperate kind
It's just belly to belly, never eye to eye
A moment to treasure, it's just a matter of time
Skin deep, the way you shake my hand and bleach so
blend and gouch my glands
Skin deep, skin deep
Skin deep, skin deep, skin deep
Yes, it is here but only skin deep

Love and affection of the cooperate kind
It's just belly to belly, never eye to eye
A moment to treasure, it's just a matter of time
Skin deep, the way you shake my hand and bleach so
blend and gouch my glands
Skin deep, skin deep
Skin deep, skin deep, skin deep
Heaven is here but only skin deep
