What you saw
Could it be alright?
Would you laugh at me forever?
Your two best friends in a boat out on the water
I'm taking my time 'cause I wanna lie to you tonight
(What you saw)
I'm taking my time, not a single word is workin' right
(What you saw)
C'mon (What you saw)
In my golden years, I will never think about tomorrow
If you ever come, I hope that you will fall out of the
sky on me
(What you saw)
'Cause I wanna lie to you tonight
I'm taking my time, not a single word is workin' right
(What you saw)
(What you saw)
What were you thinking that I was gonna say?
(What you saw)
I'm taking my time, not a single word is workin' right
(What you saw)
I'm taking my time 'cause I wanna lie to you tonight
(What you saw)
I'm taking my time, not a single word is workin' right
(What you saw)
C'mon (What you saw)
(What you saw)
(What you saw)
(What you saw)
(What you saw)
