When a man loves a woman, can't keep his mind on
nothing else
He'll trade the world for the good thing he's found
If she is bad he can't see it, she can do no wrong
Turn his back on his best friend if he put her down

When a man loves a woman, spend his very last dime
tryin' to hold on to what he needs
He'd give up all of his comforts, sleeps out in the rain if
she said that's the way it ought to be
When a man loves a woman, I gave up everything that I
had
Tryin' to hold on to your precious love, baby, baby,
please don't treat me bad
When a man loves a woman, way down deep in his soul
she can bring him such misery
If she is playing him for a fool, he's the last one to
know, lovin' eyes can never see
But when a man loves a woman, I gave up everything
that I had, ryin' to hold on to your precious love
I said baby, baby, please don't treat me bad
When a man loves a woman, spend his very last dime
He's trying to hold on, to what he needs
When a man loves a woman, I know exactly how he
feels 'cause baby, baby, baby, baby, baby
When a man loves a woman, way down deep in his soul
He's got the world on a??? love thing??? for the good
thing he's found
??? On to your precious love??? when a man loves a
woman
Baby, baby, baby, baby, baby, baby
