(Dokken, White, Spiro)

Look inside my eyes

You can see everywhere I've been

You can drag me down, I'll come right back again.

You gotta hold on to every little thing

Every little bag of bones

When the love's gone you shoot from the hip

You make or break it on your own

Love takes your heart away and gives it back in pieces

I look at myself and say Now all I have to say)

(is)'I know who to believe in'

CHORUS:

Mirror, mirror on the wall

I'm still here, I survived it all

Mirror, mirror, tell me more.

If that was love then love is war.

I am gonna fight until I win

Another place in time, I might have given in

CHORUS
