I'll be in New York City  
When the lights shine bright tonight  
Where my woman waits for me  
Arms that hold me tenderly  
Lips as sweet as honeycomb  
Love that waits for me alone  
Deep in the eyes of a New York woman

The eyes of a New York woman  
Are eyes that can hold a man  
She swept me off of my feet  
Made my world seem so complete  
I'll never have to look for more  
I found what I've been lookin' for  
Deep in the eyes of a New York woman

Thought I wasn't ready for the tie that binds  
But I lost my heart to her when her eyes met mine  
Now I see her differently  
I've got to make her mine

So I'll make my home Fun City

And let the lights shine bright on me  
East side cafs, West side plays  
Uptown, downtown, I'll be there  
I'll never have to look for more  
I found what I've been lookin' for  
Deep in the eyes of a New York woman

The eyes of a New York woman  
Are eyes that can hold a man  
She swept me off of my feet  
Made my world seem so complete  
I'll never have to look for more  
I found what I've been lookin' for  
Deep in the eyes of a New York woman  
Deep in the eyes of a New York woman  
Deep in the eyes of a New York woman  
Deep in the eyes

FADE of a New York woman

Deep in the eyes of a New York woman
