"Four Walls"

Out where the bright lights are glowing
You're drawn like a moth to a flame
You laugh while the wines overflowing
While I sit and whisper your name.

Four walls around me
Four walls to see
Four walls too near me
Closing in on me.

One night with you is like Heaven
And while I'm walking the floor
I listen for steps in the hallway
And wait for your knock on my door.

Four walls around me
Four walls to see
Ohhh, ohhh, four walls too near me
Closing in on me.

Four walls too near me
Closing in on me.

(Spoken)
Just these four lonely walls
And one lonely room
Is where I stand
And wait for a knock on my door
That will never come...
