The road is long with many a winding turn
That leads us to who knows where, who knows where
But I'm strong, strong enough to carry him
He ain't heavy, he's just my brother.

So on we go, his welfare is my concern
No burden is he to bear, ah, were gonna get there
For I know he won't encumber me at all
He ain't heavy, he's just my brother.

Oh, If I'm laden at all I'm laden with sadness
That everybody's heart isn't filled with gladness
Of love, love for one another.

Oh, It's a long, long road from which there is no return
While we're on our way to there
Why don't we share, why don't we share
And the load doesn't weigh me down at all
He ain't heavy, he's my brother.

He's my brother...
