Met the girl that I want to
Get to know a little better
Tonight I'm gonna take her
To the picture show

Gonna park in the
Darkest spot I know
I got a question
That I never asked
Anybody else before

Hey, would you help me
Make it to my rockin' chair
Love me all of my life
Don't wanna grow old without you
Don't wanna be out in the cold
Without you no more

Help me make it
To my rockin' chair
Been saving my
Good times for the good
Would you hold me
And never, ever let me go

I've been told
About love for so long
Been left cold
About love for so long
(It's been so long)

Told love's disappointments
All so long
And I can't see me in tomorrow
Without you beside me

Help me make it to my rockin' chair
Love me all of my life
Don't wanna grow old without you
Don't wanna be out in the cold
Without you no more

Help me make it
To my rockin' chair
Been saving my
Good times for the good
Would you hold me
And never, ever let me go

Help me make it
To my rockin' chair
Been saving my
Good times for the good
Would you hold me
And never, ever let me go

Hey, would you help me
Make it to my rockin' chair
Love me all of my life
Don't wanna grow old without you
Don't wanna be out in the cold
Without you no more

Help me make it
To my rockin' chair
Been saving my
Good times for the good
Would you hold me
And never, ever let me go
