"It's A Sin"

It's a sin my darling how I love you because I know our
love could never be
It's a sin to keep this mem'ry of you when silence
proves that you've forgotten me
Yes the dream I built for us has tumbled each promise
broken like my heart
It's a sin my darling how I love you so much in love and
yet so far apart
[ac.guitar]
Yes I'm sure you're happy with another who shares the
love I couldn't win
Why pretend that I can't live without you when deep
inside I know that it's a sin
