"Lonely Street"

I'm looking for that Lonely Street I've got a sad sad tale
to tell
I need a place to go and weep where's this place called
Lonely Street
A place where there's just loneliness where dim lights
bring forgetfulness
Where broken dreams and mem'ries meet
Where's this place called Lonely Street
Perhaps upon this Lonely Street there's someone such
as I
Who came to bury broken dreams and watch an old
love die
If I could find that Lonely Street and just by chance
someone I'd meet
Someone who feels the way I do and knows just what
false love can do
[steel]
I need a place to go and weep where's this place called
Lonely Street
