LOOK WHO'S BLUE

Writer Don Gibson

(Look, look, look-a, look who's blue) (Look, look, look-a,
look who's blue) Please, please, have pity on me Oh,
can't you see that I'm in misery Please, please, I'm
beggin' like a fool Woe is me, look who's blue I said no
gal's gonna ever tie me down I'm goin' out every night
and paint the town Well I was doin' fine till I met you
Woe is me, look who's blue Please, please, have pity on
me Oh, can't you see that I'm in misery Please, please,
I'm beggin' like a fool Woe is me, look who's blue
(Instrumental Break) I said there'd never be just one for
me And I'm gonna stay footloose and fancy free No
gal's gonna ever tell me what to do Woe is me, look
who's blue Please, please, have pity on me Oh, can't
you see that I'm in misery Please, please, I'm beggin'
like a fool Woe is me, look who's blue Woh-oh, blue
