So you say you can't take it, the price is too high  
The feelings have gone it seems the river's run dry  
You could never imagine it could turn out so rough  
You give and give and give and still it's never enough

And your emotions have vanished but what's held to  
thrill?

You wonder if love is still alive in you still  
But that ring on your finger, was put there to stay  
You'll never forget the words you promised that day

-----  
Chorus:

Jesus didn't die for you because it was fun  
He hung there for love because it had to be done  
And despite of the anguish his word was fulfilled  
Love is not a feeling it's an act of your will  
Love is not a feeling it's an act of your will

-----  
Now I wouldn't try to tell you that it's easy to stand  
When Satan's throwing everything that's at his  
command  
But Jesus is faithful, his promise is true  
And whatever he asks he gives the power to do

Chorus
