### "My Love For You"

Castles were made high and mighty and oceans were  
made deep and wide  
We were made for each other that's how I feel about  
my love for you  
Up in the sky is a rainbow that some people say has no  
end  
This I don't know it's true but there's no end of my love  
for you  
Living each moment waiting for your touch  
Praying each night you'll want me half as much  
Vows that are made are sometimes broken and  
someone you trust and prove untrue  
But I'll never be unfaithful for you can trust in my love  
for you  
You can trust in my love for you
