TOO MUCH HURT

(Don Gibson)

Â« Â© '65 Acuff-Rose Music Â»

I got too much hurt not enough love for me  
Nothing but misery lonesome old memory  
I got too much hurt you tore my world apart  
Left me with broken dreams tears in my heart  
Tellin' lies blues and cries oh you're makin' a fool out of  
me  
Don't you know that it hurts me so when you tell me our  
love just can't be  
I got too much hurt not enough love for me  
Nothing but memory of what used to be  
Well tellin' lies blues and cries...  
I got too much hurt yes I got too much hurt mmm I got  
too much hurt
