Almost you fell in love with me  
Almost you were my bride to be  
But each promise that was made  
You have broken and betrayed  
And left me with a faded memory  
Almost my precious dreams came true

Almost you whispered dear I do  
But someone new came by  
And you left me here to cry  
Oh, how close we were almost

Almost I heard the church bells ring  
Almost I heard the choir sing but I hear now  
Instead all those unkind words you said  
I remember every little thing

Almost your heart I did possess  
Almost you brought me happiness  
My dreams just won't come true  
And there's nothing I can do  
Oh, how close we were almost
