If you're lovin' me like I'm lovin' you  
Baby, we're really in love  
If you're happy with me like I'm happy with you  
Old Cupid just gave us a shove

If you're thinkin' of me like I'm thinkin' of you  
I know what you're thinkin' of  
If you're lovin' me like I'm lovin' you  
Baby, we're really in love

Well, I run around in circles  
And turn in fire alarms  
I'm nut as fruit bake  
When you're not in my arms  
If you're meant for me like I'm meant for you  
Baby, we fit like a glove  
If you're lovin' me like I'm lovin' you  
Baby, we're really in love

If you're lovin' me like I'm lovin' you  
Baby, we're really in love  
If you're countin' on me like I'm countin' on you  
Old Cupid just gave us a shove

If you're dreamin' of me like I'm dreamin' of you  
I know what you're dreamin' of  
If you're lovin' me like I'm lovin' you  
Baby, we're really in love
