Didn't work out, did it?
You'll have to admit it
It wasn't so easy, was it?
Didn't work out, did it?

You thought love had made me blind
You could do just as you please
But just like a great big ol' neon sign
I could see you were cheatin' on me

Didn't work out, did it?
You'll have to admit it
It wasn't so easy, was it?
Didn't work out, did it?

Didn't work out, did it?
You'll have to admit it
It wasn't so easy, was it?
Didn't work out, did it?

So go on and do what you want to
This time I'm ready for anything
Well, I don't care much what you do
I'm gonna go on and laugh and sing

Didn't work out, did it?
You'll have to admit it
It wasn't so easy, was it?
It didn't work out, did it?
