And then those funny, familiar, forgotten feelings
Started walkin' all over my mind

Last night, quietly, she walked through my mind
As I lay searching for sleep

Her soft hand reached out, she whispered my name
As she brushed a tear from my cheek

And then those funny, familiar, forgotten feelings
Started walkin' all over my mind

Well, now I must go on, be strong
Though million teardrops may fall

Before those funny, familiar, forgotten feelings
Stop walkin' all over my mind
