Well, I told you I was leavin' you a long time ago
But I'm still here and I still love you so
And I can't leave no matter how hard I try

You know I love you, you know it's true
I just can't leave you no matter what you do
And I can't go no matter how hard I try

It's shame, oh shame
You feel my pain running 'round on me
But I lost my pride, I'm still by your side
And that's where I want to be

Well, maybe you'll change and maybe you won't
But I'll be here if you do or if you don't
'Cause I can't leave no matter how hard I try

It's a sad affair when the one you love
Don't even care about you
But why should I took blame? I love you just the same
And that's all I want to do

Well, maybe you'll change and maybe you won't
But I'll be here if you do or if you don't
'Cause I can't leave no matter how hard I try
