Is love so fragile...
And the heart so hollow
Shatter with words...
Impossible to follow
You're saying I'm fragile...i try not to be
I search only...for something I can't see

I have my own life...and I am stronger
Than you know
But I carry this feeling
When you walked into my house
That you won't be walking out the door
Still I carry this feeling
When you walked into my house
That you won't be walking out the door

Lovers forever...face to face
My city, your mountains
Stay with me stay
I need you to love me
I need you today
Give to me your leather...
Take from me...my lace

You in the moonlight
With your sleepy eyes
Could you ever love a man like me
And you were right
When I walked into your house
I knew I'd never want to leave
Sometimes I'm a strong man
Sometimes cold and scared
And sometimes I cry
But that time I saw you
I knew with you to light my nights
Somehow I'd get by
First time I saw you
I knew with you to light my nights
Somehow I would get by

Lovers forever...face to face

My city, your mountains
Stay with me stay
I need you to love me
I need you today
Give to me your leather
Take from me...my lace

Lovers forever...face to face
My city ,you mountains...stay with me stay
I need you to love me...i need you to stay
Give to me your leather
Take from me...my lace
Take from me...my lace
Take from me...my lace
