Midnight, I've spent another lonely day thinkin' of you  
Midnight, tomorrow is on its way, empty and blue  
I'm so lonely, so lonely at midnight for you  
Midnight, oh, what a lonely time to weep, I ought to  
know

Midnight, I should have been fast asleep hours ago  
Still I'm crying, I'm crying 'cause I miss you so

Midnight, I lie in bed and stare at nothing at all  
Wondering, I'm wondering why you don't care  
Wishing you'd call  
Tears keep flowing like drops from a waterfall
