Well my hands're tied yeah my hands're tied
Baby tonight I like to hold you tight oh but my hands're
tied
Well my hands're tied yeah my hands're tied
Like a well puppy duck it's just my luck and my
hands're tied
When you call my name I go insane
Oh a date with you would be a dream come true but my
hands're tied
[piano - guitar]
Well my hands're tied yeah my hands're tied
Baby tonight I like to hold you tight oh but my hands're
tied
When you call my name I go insane
Oh a date with you would be a dream come true but my
hands're tied
