Gonna find a perfect mountain gonna stay until I die Drink of mother nature's fountain let my worries roll on by

Well the good times go easy and the bad times go slow Even in the in-between times I can't let my worries go Always wanting to go somewhere but I never fail to find I grow tired of what I find there long for things I left behind

Gonna find a perfect mountain...

Well I can think of nothing better than a sweetheart for a friend

Before I find the two together I'm afraid my days shall

Always wanting to go somewhere but I never fail to find I grow tired of what I find there long for things I left behind

Gonna find a perfect mountain...

Let my worries roll on by
