One finger on the button
One finger up his nose
Johnny's in some cornfield
The Early Warning Blows

Bigger is better
More is more
Look up, America!
Gonna even up the score

Get ready boys
Third times a charm
Don't need no sweater
It's gonna keep you warm
If we can't have the ball, there won't be any winner
This time

Them and us
Them and us
Ashes to ashes
Dust to dust

In forty-five minutes
It'll all be done
We'll all be good and crispy
But we'll still be number one

And if things go from bad to worse
We can still kill them if they kill us first
If we can't have the ball, there won't be any winner
This time

Hell-bent
Heaven sent
It all got started by an accident
If we can't have the ball, there won't be any winner
This time

Them and us
Them and us
Ashes to ashes

Dust to dust

Them and us

Them and us

Ashes to ashes

Dust to dust
