I hear footsteps slowly walkin'
As they gently walk across a lonely floor
And a voice is softly sayin'
Darling, this will be goodbye, forever more

There goes my reason for livin'
There goes the one of my dreams
There goes my only possession
There goes my everything

As my mem'ry turns back the pages
I can see the happy years we had before
Now the love that kept this old heart beatin'
Has been shattered by the closin' of the door

There goes my reason for livin'
There goes the one of my dreams
There goes my only possession
There goes my everything

There goes my everything
