TOO MUCH HURT

(Don Gibson)

Â« Â© '65 Acuff-Rose Music Â»

I got too much hurt not enough love for me
Nothing but misery lonesome old memory
I got too much hurt you tore my world apart
Left me with broken dreams tears in my heart
Tellin' lies blues and cries oh you're makin' a fool out of
me
Don't you know that it hurts me so when you tell me our
love just can't be
I got too much hurt not enough love for me
Nothing but memory of what used to be
Well tellin' lies blues and cries...
I got too much hurt yes I got too much hurt mmm I got
too much hurt
