They're pickin' up the prisoners and puttin'  
'em in the pen  
And all she wants to do is dance, dance  
Rebels been rebels since I don't know when  
And all she wants to do is dance  
Molotov cocktail-the local drink  
And all she wants to do is dance, dance  
They mix 'em up right in the kitchen sink  
And all she wants to do is dance  
Crazy people walkin' round  
with blood in their eyes  
And all she wants to do is dance, dance  
Wild-eyed pistol wavers  
who ain't afraid to die  
And all she wants to do is-  
And all she wants to do is dance  
and make romance  
She can't feel the heat comin' off the street  
She wants to party  
She wants to get down  
And all she wants to do is-  
And all she wants to do is dance  
Well, the government bugged the men's  
room in the local disco lounge  
And all she wants to do is dance, dance  
To keep the boys from sellin'

all the weapons they could scrounge  
And all she wants to do is dance  
But that don't keep the boys  
from makin' a buck or two  
And all she wants to do is dance, dance  
They still can sell the army  
all the drugs that they can do  
And all she wants to do is-  
And all she wants to do is dance  
and make romance  
Well, we barely made the airport  
for the last plane out  
As we taxied down the runway  
I could hear the people shout  
They said, "Don't come back here Yankee!"

But if I ever do-  
I'll bring more money  
'Cause all she wants to do is dance  
and make romance  
Never mind the hear comin' off the street  
She wants to party  
She wants to get down  
All she wants to do is-  
All she wants to do is dance  
All she wants to do is dance  
and make romance  
All she wants to do is dance
