Sometimes I wonder where it is love goes  
I don't know if even Heaven knows  
But I know you had some dreams that didn't  
quite come true  
And now I'm not the one, little girl, who's  
keeping you  
I was either standing in your shadow or  
blocking your light  
Though I kept on trying I could not make  
it right  
For you girl-  
There's just not enough love in the world  
I know people hurt you so bad  
They don't know the damage they can do,  
and it makes me so sad-  
How we knock each other down just like  
children on a playground  
Even after that ol' sun went down-  
I was either standing in your shadow or  
or blocking your light  
Though I kept on trying I could not  
make it right

For you girl-  
There's just not enough love in the world  
Oh darlin', this is still a shady little town  
And sometimes it's so hard to smile-  
For the world, for the camera-  
And still have something left  
You don't have to prove nothin' to nobody  
Just take good care of yourself  
I'm not easy to live with-  
I know that it's true  
You're no picnic either, babe  
And that's one of the things I loved about you  
But a time will come around when we need to settle  
down  
Got to get of this merry-go-round  
I was either standing in your shadow or  
blocking you're light  
Though I kept on trying I could not make  
it right

For you girl-  
There's just not enough love in the world
