Now I don't wanna lose you  
But I don't wanna use you  
Just to have somebody by my side  
And I don't wanna hate you

I don't wanna take you  
But I don't wanna be the one to cry  
That don't really matter to anyone, anymore  
But like a fool I keep losing my place  
And I keep seeing you walk through that door

But there's a danger in loving somebody too much  
And it's sad when you know it's your heart you can't  
trust  
There's a reason why people don't stay where they are  
Baby sometimes love just ain't enough

Now I could never change you  
And I don't wanna blame you  
Baby, you don't have to take the fault  
Yes, I may have hurt you  
But I did not desert you

Maybe I just wanna have it all  
It makes a sound like thunder  
It makes me feel like rain  
And like a fool who will never see the truth  
I keep thinking somethings gonna change

But there's a danger in loving somebody too much  
And it's sad when you know it's your heart you can't  
trust  
There's a reason why people don't stay where they are  
Baby, sometimes love just ain't enough

And there's no way home  
When it's late at night and you're all alone  
Are there things that you wanted to say?  
Do you feel me beside you in your bed?  
There beside you where I used to lay

And there's a danger in loving somebody too much

And it's sad when you know it's your heart they can't  
touch  
There's a reason why people don't stay who they are  
Baby, sometimes love just ain't enough

Baby, sometimes love, it just ain't enough  
Oh, no, no
