I can see that you haven't recovered from the girl who
let you down
And you'd sell what is left of your soul for another go
round
You keep telling yourself she means nothing
And maybe you should call her bluff

But you don't really believe it
You must not be drinking enough

Well the perfume she wore you can buy down at the
Five and Dime
But on some other woman it don't smell the same in
your mind
You keep telling yourself you can take it
Telling yourself that you're tough

But you still wanna hold her
You must not be drinkin' enough

You're not drinkin' enough to wash away old memories
And there ain't enough whiskey in Texas
To keep you from begging, please, please, please
She passed on you passion and stepped on you pride
Turns out you ain't quite so tough

'Cause you still wanna hold her
You must not be drinkin' enough

Ask yourself why
You still wanna hold
You must not be drinkin' enough

You still wanna hold her
You must not be drinkin' enough

You still wanna hold her
You must not be drinkin' enough
