It ain't no big thing brother  
When things ain't looking up  
It ain't no big thing when there ain't no coffee to fill  
The cup  
The good things comin'  
Let 'em roll, let 'em roll

If your pretty little girl leaves you hung up  
Standing on the corner of 5th and Main  
Left you standing there with a pair of movie tickets  
Tear up the tickets, brother and don't complain  
Cause it ain't, no it ain't  
It ain't no big thing

If you wake up early one Sunday morning

Find your bag and baggage in the rain  
Your chick just left town with your best friend and all  
Your money  
Tear up the number my brother and don't complain  
Cause it ain't, no it ain't  
It ain't no big thing

If your ma in law starts getting huffy  
Walking around your pad with a long face  
Just go out and buy her a one way passage  
Tell her go join the astronauts in outer space  
Cause it ain't, no it ain't  
It ain't no big thing
