"Sometimes For The Asking"

Visit "[Sometimes For The Asking](#)" on MotoLyrics.com

Sometimes you laugh
Sometimes we smile at each other
Sometimes you give a lot
when really you'd rather not

And sometimes you pray
Sometimes you tell a lie
Sometimes you take a hold
of this your living day

So many dreams for the asking
And I'll wager there's one here who'll try
to make a fool of you
You're crying out for more
More more more more

So many dreams for the asking
And I'll wager there's one here who'll try
to make a man of you
You're crying out for more
More more more more
