I've got nothing on my mind
Nothing to remember, nothing to forget
I've got nothing to regret

But I'm all tied up on the inside
No one knows quite what I've got
And I know that on the outside
What I used to be, I'm not
Anymore

You know I've heard about people like me
But I never made the connection
They walk one road to set them free
And find they've gone the wrong direction

But there's no need for turning back
Cause all roads lead to where I stand
And I believe I've walked them all
No matter what I may have planned
Can you remember who I was?
Can you still feel it?
Can you find my pain?
Can you heal it?

And lay your hands upon me know
And cast this darkness from my soul
You alone can light my way
You alone can make me whole
Once again

We've walked both sides of every street
Through all kinds of windy weather
But that was never our defeat
As long as we could walk together

So there's no need for turning back
Cause all roads lead to where we stand
And I believe we'll walk them all
No matter what we may have planned
