"Crying In The Chapel"

You saw me crying in the chapel
The tears I shed were tears of joy
I know the meaning of contentment
Now I'm happy with the Lord

Just a plain and simple chapel
Where humble people go to pray
I prayed the Lord that I'll grow stronger
As I live from day to day

Well, I searched and I searched
But I couldn't find
No way on earth
To find peace of mind

Now I'm happy in the chapel
Where people are of one accord
Yes, we gather in the chapel
Just to sing and praise the Lord

Well, you'll search and you'll search
But you'll never find
No way on earth
To find peace of mind

Take your troubles to the chapel
Get down on your knees and pray
Take your troubles to a chapel
And you'll surely find the way
