I was all right for a while  
I could smile for a while  
then I saw you last night  
you held my hand so tight  
when you stopped to say hello  
then you wished me well, you couldn't tell that I'd  
been

Crying over you  
Crying over you  
then you said "so long"  
left me standing all alone  
alone and crying  
crying, crying, crying  
it's hard to understand  
that the touch of your hand  
can start me crying

I thought that I was over you  
but it's true, oh so true  
I love you even more than I did before  
but darling, what can I do?  
oh you don't love me  
and I'll always be

Crying over you  
Crying over you  
yes, now you're gone  
and from this moment on  
I'll be crying, crying  
crying, crying  
I'm crying, crying  
over you
