From what I have been hearing, dear, you've really got
it made

Got a lot of fellers on your lover's hit parade
If I can't be your number one I don't know what I'll do
Gotta get my love up to the top, I'm so in love with you

On the hit parade of love I know I'll never stop
I've got a long, long way to climb before I reach the top
But if I do get there soon I'll really have it made
Then I'll know I'm number one on your lover's hit
parade

Well, we get along, dear, like all good lovers should
Yet we could make a go of it, I know it'd turn out good
We could have so much fun, we'd really have it made
Then I'll know I'm number one on your lover's hit
parade

On the hit parade of love I know I'll never stop
I've got a long, long way to climb before I reach the top
But if I do get there soon I'll really have it made
Then I know I'm number one on your lover's hit parade

Well, it's your heart I'm after, dear, 'cause you're so
nice and fine
And another to replace you, dear, would sure be hard
to find
So put your arms around me now and call me turtle
dove
Then I know I'm number one on your hit parade of love

On the hit parade of love I know I'll never stop
I've got a long, long way to climb before I reach the top
But if I do get there soon I'll really have it made
Then I know I'm number one on your lover's hit parade
Then I know I'm number one on your lover's hit parade
