Jerusalem, Jerusalem all roads lead to you  
Jerusalem, Jerusalem your light is shining through  
And you will show, show the way to all who see it shine  
That we can live in peace in Jerusalem this time

The walls will keep you in, the walls will keep you out  
The gates are calling those, who know what it's about

And Jerusalem, Jerusalem all roads lead to you  
Jerusalem, Jerusalem your light is shining through  
And you will show  
(You will show)  
Show the way  
(Show the way)  
To all who see it shine  
That we can live in peace in Jerusalem this time

Jerusalem is old, Jerusalem is new  
Jerusalem can hold, Moslem, Christian, Jew

And Jerusalem, Jerusalem all roads lead to you  
Jerusalem, Jerusalem your light is shining through  
And you will show  
(You will show)  
Show the way  
(Show the way)  
To all who see it shine  
That we can live in peace in Jerusalem this time

The markets and the alleys, the temples and the tombs  
A place for all believers, it has so many rooms

In Jerusalem, Jerusalem all roads lead to you  
Jerusalem, Jerusalem your light is shining through  
And you will show  
(You will show)  
Show the way  
(Show the way)  
To all who see it shine  
That we can live in peace in Jerusalem this time

Yes, we can live in peace in Jerusalem this time
