LA LA LOVE YOU LYRICS

If you wanna make me happy  
Heres all you gotta do..  
Take me where your going...  
And i'll take care of you..  
Cause i got those kneed it's going..  
to keep you satisfied...  
And when if you keep your grin like showing..  
Where you can take me for a ride..  
[CHORUS]

Cause i lalalala love you...  
And i lalalalala Care...  
And i really want with me baby everywhere...

Well i like the way you moving..  
And i like other the way you go..  
Well i like the way you let your locomotion show..  
Cause my Drivin wheel is drivin..  
and my piston's working good...  
and if your Motor gives you some Trouble baby ill take  
a look underneath in your hood (Yes, I will)

REPEAT CHORUS

Weeelll and i know your transportation or with a motor  
and a rubber wheel,  
But when you move you cause a transformation in this  
lover and the way I feeeeeeeeeeeeeelllllllllll....  
ahh ahh ahh ahh ahh..

Soooo.. If you wanna make me happy..  
Here's all you gotta do..  
just let me ride your boxcar and I'll hobo with you.  
Cause all I got is on my shoulder,  
I'm walkin' on my travelin' shoes  
and before I get much older I'm gonna kick these  
lovesick blues...

Repeat chorus
