Words & Music by Don McLean

Take a look at this little girl. Prettiest in this little world.  
Got a little twist and curl.  
And she calls me Daddy-O. And she calls me Daddy-O.  
Take a look at this little smile. Cutest one I've seen in a  
while.  
Got a lot of class and style.  
And she calls me Daddy-O. And she calls me Daddy-O.  
Oh, oh, oh, got a funny feelin'. Oh, oh, oh, it's my heart  
she's stealin'.  
Oh, oh, oh, she is so appealin'.  
When she calls me Daddy-O. When she calls me  
Daddy-O.

She can make the Earth stand still. She can reach the  
window sill.  
She can give my heart a thrill.  
When she calls me Daddy-O. When she calls me  
Daddy-O.  
Oh, oh, oh, got a funny feelin'. Oh, oh, oh, it's my heart  
she's stealin'.  
Oh, oh, oh, she is so appealin'.  
When she calls me Daddy-O. When she calls me  
Daddy-O.

Take a look at silk and lace. Take a look at this little  
face.  
When she's in her dad's embrace.  
And she calls me Daddy-O. And she calls me Daddy-O.  
Oh, oh, oh, got a funny feelin'. Oh, oh, oh, it's my heart  
she's stealin'.  
Oh, oh, oh, she is so appealin'.  
When she calls me Daddy-O. When she calls me  
Daddy-O.  
Oh, oh, oh. Oh, oh, oh.  
Oh, oh, oh. Oh, oh, oh.
